Eagle Consulting Group Appoints New Software Consultant

Press Release

New York City—October 10, 2005 – Eagle Consulting Group, Inc. today announced the hiring of Carmen Brito as a Software Consultant. As a Software Consultant, Ms. Brito will work with Eagle Consulting Group’s client base providing implementation support, training, technical assistance, and business management consulting.

Previously, Ms. Brito served as the Accounting Manager for a local business that used Sage MAS 90. She will now put her knowledge and experience to work as she assists Eagle’s clients as they use Sage MAS 90.

“I am really looking forward to working with clients, helping them get the most value out of MAS 90,” said Ms. Brito. Carmen was born and raised in New York, and graduated from NYC Technical College in Brooklyn with a major in Computer Information.

“We’re very pleased to have Carmen join Eagle,” said Debra Ellis, president of Eagle Consulting Group. “Her experience with both business accounting and the specific operation of Sage MAS 90 will no doubt make her a valuable asset to clients seeking advice, training, and assistance.”
