Eagle Consulting Group Selected As Best Software MAS 500 Partner

Press Release

New York City—December 28, 2004—Eagle Consulting Group, Inc. today announced that the company is now an authorized business partner for the MAS 500 product line from Best Software, Inc. As a MAS 500 select business partner, Eagle Consulting Group will sell, implement, train, and support this powerful, top-of-the-line business software.

“We believe that by adding MAS 500 to Eagle Consulting Group’s offering, we can offer our larger customers and prospects a scalable, integrated business management solution that uses the Microsoft SQL database engine,” said Debra Ellis, president of Eagle Consulting Group. “MAS 500 is the ideal solution for companies requiring high transaction volumes, advanced capabilities, and full customization options.”

MAS 500 is the most powerful member of the Best Software family of business management applications, suitable for business with revenues from \$25 to over \$500 million. MAS 500 is a highly reliable and robust software system. It boasts integrated solutions that automate all areas of business management including CRM, accounting and financials, project accounting, distribution, manufacturing, human resources, and more.
